Dear Mr. Page:

Re: Parley's Canyon Quarry Reclamation, DOE/035/003, Salt Lake
County, Utah

Lone Star Industries, Inc., purchased the Parley's Canyon Quarry in 1983. This Limestone quarry was formerly owned by Portland Cement Company of Utah. The quarry has been shut down for three years. Due to the poor quality of the limestone, Lone Star will not reactivate the site. Instead, they will begin reclamation work this fall.

Enclosed are the proposed reclamation plans submitted by Lone Star and our reply letter. Some of the items mentioned in the reclamation work may warrant your comments.

If you think your Division would like to become involved with this reclamation work, let me know and we can schedule a meeting and site visit to discuss your concerns.

I look forward to hearing from you.

Sincerely,

Scott Johnson
Reclamation Engineer
